Plan a Spring Party with PRERNA

Greetings!

To celebrate Valentine's Day, PRERNA co-hosted a Tea Party for guests to learn about how to help local refugees resettle in the Bay Area. With Spring just around the corner, it's an ideal time to plan a party with your friends and family. Check out some fun themes below and download your free [Holiday Party Resource Kit](#) to get started. It's filled with many ideas and templates to help you plan an event. [Let us know how we can help](#) to make your party a success.

Girl Scout Gives Back to Help Local Refugees

As a Girl Scout for more than half her life, Ambika has been involved with community service projects to help people in need. Last December, she volunteered at PRERNA to make gift baskets which were shared with newly arrived and resettled refugee families to partake in the bliss of gift-giving, joy and excitement during the holiday season. [Learn more about Ambika](#) and why giving back is already such an important part of her life.

Give a Monthly Gift for Greater Impact

In 2018, PRERNA plans to scale up to provide essential services to more refugees. To do this, we need sustainable income for long-term planning. Having the means to support new refugee families every month will make a difference no matter the size of your gift. As we are an all-volunteer organization, all of your generous donations will go directly to the well-being of the refugee families.

[Thank you for supporting PRERNA and empowering local refugees to thrive in the Bay Area.](#)
