

Double Your Impact on #GivingTuesday

Greetings!

Happy #GivingTuesday! We have some very exciting news. GlobalGiving has generously offered to match all donations to PRERNA, dollar for dollar on #GivingTuesday. Double your impact by making a gift today before 9PM PST. We're counting on you to take full advantage of this rare chance to get every gift matched. [Will you give now and double your gift to support local refugees in our community?](#) In the face of an unprecedented global refugee crisis, our wide-ranging work is more important than ever.

Please give right now, before 9PM PST or Midnight EST, to help PRERNA continue providing essential services and continuum care to empower refugee families. [Make your tax-deductible donation now. Every dollar will be doubled to help refugees.](#) A \$100 donation will set up a family with phone and Internet services. A \$300 gift can provide a used computer for taking e-classes and looking for employment. As PRERNA is an all-volunteer organization, 96 percent of your donations will go directly to programs for refugee families.

Thank you for your support. [Donate now.](#)
