

## Welcome New Refugees with Starter Kits

### *Make a long-term impact on refugee families*

Greetings!

We have good news! From now through **Friday, April 13, 2018**, PRERNA will receive a 100% match from GlobalGiving for all new monthly donors. **Take advantage of this offer by becoming a recurring donor.** In today's growing refugee crisis around the world and the decrease in federal resources, securing ongoing funds to support local nonprofits such as PRERNA to help refugee families is more important than ever.

To scale up and help more local refugees this year, we need predictable income for long-term planning and programming. Your generous donations will provide Starter Kits to families who have traveled far and long to the U.S. The Kits include hygiene supplies such as soap, shampoo and deodorant, as well as notepads, pencils, crayons, snacks and local maps. In some cases, we may supply clothing and small household items depending on the needs of the family.

#### **Long-Term Impact**

By helping refugees become independent, productive members of our community, the benefits can be immense. Refugees who live here stimulate the economy as consumers, they work and they pay taxes. Their children receive a better education, become part of the future workforce and potential leaders. We already see refugees paying it forward as those that PRERNA assisted previously are now helping new refugees who are arriving after them.

#### **Matching Funds Stretch Your Dollars**

Global Giving will match your monthly donation 1 to 1 up to \$200 for the first month's donation. For example, if you set up a new \$50 recurring gift, PRERNA will receive a \$50 bonus that can go a long way to help new refugee families. As an all volunteer, non-profit organization, you can be assured that nearly 100% of your donations will be spent for refugee needs. **Make a greater impact by becoming a monthly recurring donor today.**

Thank you for your support.

**Get involved with PRERNA today to empower refugees.  
VOLUNTEER. DONATE. SHARE.**
