Greetings!

New refugee families have arrived this summer and we need your support. There's no better time to give as GlobalGiving is offering PRERNA a match of 50% for every dollar donated from 6AM to 9PM PDT today. GlobalGiving has \$120,000 in matching funds. There is also a 100% match for new recurring donations.

Your bonus gift today will be used to assist refugees with housing, supplies, health services, education, employment and more. Our goal is to raise \$5,000 on Superstar Bonus Day. All online donations up to \$500 are eligible for matching funds. [We encourage you to make your donation early on July 18 before the \\$120,000 in matching funds are depleted.](#)

Welcoming New Refugees

PRERNA has been busy welcoming new refugee families to the Bay Area. In addition to the Afghanistan family that we helped move into an apartment, we have assisted a recently arrived single mother and her 14-year old son resettle in the same building complex.

We are seeking affordable housing for a Yemen family of eight who are currently living in temporary quarters. They have six children from the age of three to 23 years old. Our team leads are ready to help them move into their new home, enroll the children in school, set the family members up with medical checkups, and find employment for the adults.

Congratulations to Mohammed, Hawa and Mariam who have all completed a year of school after arriving with their family from Afghanistan in 2017.

To celebrate a successful school year and graduating from their English Language Development! (ELD) courses, Allison Dua, PRERNA Education Team Lead took them out for an ice cream treat. All three students have been accepted into mainstream English language class in the Fall.
