

## Welcome Refugee Families with Starter Kits

Greetings!

Today is Friday the 13th and we think the day can bring us good luck. **Our Little by Little campaign has more than \$15,000 left in matching funds** that will last until 9PM PDT tonight. Until then, every dollar up to \$50 will be matched by 50%. Your gift, no matter what size, will help us support new refugee families when they arrive. **Make a donation and increase your impact with this limited time offer.**

### PRERNA Steps In to Support Local Refugees

It's been a tough year for families as the U.S. is accepting fewer refugees and federal resources for refugee resettlement have dropped across the country. **This is why it's so important for PRERNA to step in to fill the gap to help the families who are admitted and need support to start a better life.**

Refugees often flee their home at a moment's notice and may remain displaced for many years. They arrive at U.S. airports with few belongings and often

a traumatic past. We can help by providing them with Starter Kits that include essential items and welcoming them warmly into our community.

### Last Day to Stretch Your Dollars and Impact: **TODAY ONLY!**

There's no better time to make a donation than now. Today **your gift will receive a match** as GlobalGiving has set up a matching fund for PRERNA and other non-profits that are participating in the Little by Little Matching campaign. Plus, all recurring donations will give us a 100% match for your first month's gift.

**Matching funds end at 9PM PDT tonight on Apr. 13.**

**We encourage you to make a gift now** so your dollars can go farther to help local refugee families survive and thrive. Thank you for your support.

**Get involved with PRERNA today to empower refugees.  
VOLUNTEER. DONATE. SHARE.**
