Rebuilding Refugee Lives

Your Gift Matters to Local Refugees

Greetings!

Today is **World Refugee Day** and there's less than 10 hours left before our matching fund campaign ends. Until 9PM PDT tonight, all donations will be matched by 100%. Your gift will make a huge difference to the local refugee families we support. It will provide essential program services that will give newcomers a chance for a better future. **Make a donation now and double your impact.**

PRERNA Celebrates Eid with Refugee Families

Last weekend, PRERNA visited several refugee families with food baskets to celebrate Eid al-Fitr which marks the end of the Ramadan season. It was a joy to see the adults and children, who are grateful to be in safe homes after resettling in the U.S. last year. Their English skills are improving, the fathers are working to support their families and they are giving back by helping other refugees who recently arrived in the Bay Area.

With your support, we can continue to help refugee families rebuild their lives and become independent, productive citizens in our community. **We encourage you to make a gift now so your dollars can go farther to empower local refugee families to thrive.** Thank you for your donation.
